Flair & Style

The island home you've dreamed of, recently renovated for stylish and convenient modern living. Located at the end of a very peaceful lane-way, the home is exceptionally private and superbly maintained.

Ornate floral gardens, herb and vegetable patches as well as a mature orchard mean your options for self-sustainability are already underway.

All infrastructure in this home is high quality and well thought out.

Inside the home there is so much to be enjoyed;

- The stylish open plan dining and living area has a grand slate feature fireplace with built-in, remote controlled gas fire.
- A stunning, modern kitchen fully renovated with high quality cabinetry and finishes, new stainless steel appliances and copious amounts of storage, including a huge island bench-come-breakfast bar.
