118 Stockyard Road, Norfolk Island

Easterly Aspect with Valley Views

Imagine yourself in this ideal 3 bedroom property at Steele's Point - Enjoy sunrises and late evenings on your large under-cover entertaining deck which takes in the rural valleys below.

The home has 3 good sized bedrooms, including a large master suite with walk in robe and ensuite - a main bathroom and a large and bright open plan living space. High, open cathedral ceilings clad with Norfolk Island pine give a tremendous sense of space to the house, which from the outside could be mistaken for a small cottage.

The kitchen is bright and modern, flowing nicely into a dining space on the inside and excellent access to the large covered deck. The lounge room is situated at the front of the property, providing nice separation of the spaces.

Including a carport, neatly located at the back of the property there is a solid concrete driveway with turning apron and good access off the road. Very low maintenance block, with enough space to have great vegetable gardens.

This is a very well priced property and provides a great opportunity to start island living!

Currently tenanted, the property receives good returns so could be continued as an investment property.
