STUNNING HOME WITH VIEWS AT ROCKY POINT

Masterfully constructed, this two-storey home was built for lifestyle and views – with a generous floor plan which includes a large living area, 4 comfortable bedrooms, 2 bathrooms an internal access garage and a self-contained flat, it really has everything!

Located in the Rocky Point area, this is a very desirable location with few properties available in the price range with this much to offer.

This substantial home features a main living area which is spacious and bright with large windows. High ceilings allow the natural light to filter beautifully and bifold doors lead to a verandah overlooking valleys, out to Nepean Island. A wood burning fireplace sits neatly in the corner of the lounge room, providing warmth and comfort even in Norfolk Islands' mild winters.

A separate dining space connects the kitchen to the living areas and allows for cosy dinner parties, or quality family time. A tidy kitchen includes a walk-in storage pantry, lots of cupboards and the best view in the house!

The luxe master bedroom is over-sized with built in robes and direct access to the main bathroom – and the deck.
