

89a Bumboras Road, Norfolk Island

VALLEY & OCEAN VIEW AT BUMBORAS

On over 1 hectare of land in beautiful Bumboras, this portion and shed/sleepout/hut provide options for the buyer who wants privacy, space and ocean views.

The land has a road frontage from Bumboras Rd and tucks away to hillside where the view opens up across valley to ocean and glimpses of Nepean Island. Cleared in parts, with space for additional dwellings, you could make the sleep out very liveable with some smart renovations or build additional square metres for the long term.

The sense of space and quiet on the property is beautiful – mature and established native trees such as Whitewoods, Norfolk Pines and White Oaks dotted around create perfect habitat for the bird life in the area and give the property character and charm.

Not many properties become available in this location – a short walk to Bumboras beach, or 5 minutes drive to town and Emily Bay.
