LARGE HOME WITH VIEWS AT ROCKY POINT

This two-storey home was built for lifestyle and views – with a generous floor plan which includes a large living area, 4 comfortable bedrooms, 2 bathrooms an internal access garage and a self-contained flat.

Located in the Rocky Point area, this is a very beautiful and private location.

The home features a main living area which is spacious and bright with large windows. High ceilings allow the natural light to filter beautifully and bifold doors lead to a verandah overlooking valleys, out to Nepean Island. A wood burning fireplace sits neatly in the corner of the lounge room, providing warmth and comfort even in Norfolk Islands' mild winters.

A separate dining space connects the kitchen to the living areas and allows for cosy dinner parties, or quality family time. A tidy kitchen includes a walk-in storage pantry, lots of cupboards and the best view in the house!

The large master bedroom is over-sized with built in robes and direct access to the main bathroom.

2 more upstairs bedrooms enjoy direct access to that deck from sliding doors and a beautiful outlook. They are light and spacious, the smaller of the two has a built in robe, with the other room easily able to fit any storage a new owner may wish to add.

Downstairs you will find a second main bathroom, access to the garage and a fourth bedroom which is large and ideal as a teenager retreat, rumpus room or space for guests and visitors. Accessed along the verandah is the 1 bedroom self contained unit.
