Prime Building Blocks in Private & Convenient Location

These two prime building blocks are side by side on Ferny Lane, just 5 minutes drive to town and beach. One portion has access down a secluded driveway, whilst the other has opportunities for road frontage access closer to town.

Partially cleared and spanning over 1.6 ha in total these portions are relatively flat and offer multiple building sites enjoying a northerly aspect.

Fenced, gated and currently used as horse pasture there is ample space to run livestock, enjoy hobby farming or just build a beautiful new home which is tucked away.
