## UNDER OFFER - Two Stunning Character Homes With Coastal Views

**This property has had an offer accepted and no longer on the open market**

Located in the much sought after area of Anson Bay, these stately c.1910 homesteads are one of a kind. Situated on 1.215 ha (3 acres) of beautiful flat land, the portion hugs the cliff's edge, separated only by a narrow access to Crown owned land at the rear.

The 2 homes, side by side have the gorgeous character of homes in that era - 4m high ceilings, large proportions, timber sash windows and classic neutral colours throughout.

One of the homes has been fully renovated to an extremely high standard - 4 large bedrooms, 3 bathrooms and a powder room - the master suite enjoys an open style bathroom with a standalone tub as a central feature. The home maintains its cottage charm and character highlights but has been updated for modern life.

The second house is a very neat and blank canvas with neutral tones, polished timber floors - 4 bedrooms and 4 bathrooms. Some work has already been completed, and the house is bright, practical and spacious.
