

Norfolk Island

Lifestyle Retreat or Entertainer's Delight

This is a beautifully presented, contemporary residence built with the entertainer in mind! Amazing ocean views to the Ball Bay area.

No expense has been spared in fitting out this stunning renovation. The open-plan living flows outdoors to those views and a huge deck with glass balustrades, while a fantastic kitchen sports a granite breakfast bar, butler's pantry, wine fridge and rack, stainless steel appliances and stone bench tops.

The Master bedroom is well proportioned and enjoys a stylish and perfectly appointed ensuite – as well as sliding door access to verandahs with views

Two additional bedrooms have built-in wardrobes and light and bright aspects. The main bathroom is beautifully finished with floor to ceiling tiles and high spec finishes, and a separate toilet makes for functional living.

Downstairs is a large rumpus room that could easily be converted into self-contained accommodation for extended family or for extra income.

The property footprint is neat and ideal – the land enjoys great views from several aspects.

A nice gravel driveway and parking apron leading to a sizeable carport, linked
