11 Uncle Joe's Road, Norfolk Island

Affordable Home with Ocean Views

This 3-bedroom and 1-bathroom Lockwood home has only had one owner since being built approximately 30 years ago. The 1-acre property is beautifully located on Uncle Joe's Road in the Buck's Point region. The property has picturesque ocean views through the trees and an easy-care, low-maintenance garden.

As you enter the house via the patio to the left of the building, you arrive at a nice open plan living/dining/kitchen area with pine panelled walls and white ceiling. The original kitchen is very functional and has views out to the ocean. The dining room conveniently has access to the back veranda, also taking advantage of the views. The living space is well lit with natural light beaming through the large windows. The floors throughout the entire house are polished timber floorboards and one of the finest features of the home.

The central hallway leads to three large bedrooms, bathroom, and laundry with direct access to the back veranda. All aluminium sliding windows have flyscreens installed. The hallways, bedrooms, laundry and bathroom have plasterboard walls.
