33a9 Hibiscus Drive, Norfolk Island

Bargain Land with Ocean Views

Nestled on a generous 3662m² parcel of rural/residential land, this property boasts direct road access off Hibiscus Drive, providing convenient entry to its serene surroundings. Ascending to the pinnacle of a predominantly cleared area, the block offers breathtaking elevated views that stretch across the valley and out to the Pacific Ocean.

While the land's gradient may present challenges, an existing unsealed shared easement provides access to the uppermost section of the portion. Building a structure to capitalize on the mesmerizing views would necessitate careful planning; however, the potential to craft a residence that embraces the panoramic vistas is undoubtedly within reach. With its idyllic location and captivating outlook, this property presents a unique opportunity to create a tranquil haven amidst Norfolk Island's picturesque landscape.
