16 Shortridge Road, Norfolk Island

Recently Renovated Home with Off-Grid Features and Room to Personalise

Offering the feel of a brand-new home, this three-bedroom two-bathroom fully renovated property on Shortridge Road presents an excellent opportunity for buyers seeking a low-maintenance lifestyle with the added benefits of off-grid living. With all major updates completed inside and out, this home is ready for immediate enjoyment, while also offering scope for future improvements to make it truly your own.

Set on a level 1995m² block with a large, open backyard, the home is filled with natural light and features a bright, open-plan living area that overlooks the rear of the property. The layout is compact yet practical, ideally suited to retirees, singles, or small families. Being unfurnished, it offers a blank canvas for buyers to add their own style and flair.

A major highlight is the property's stand-alone solar system and an exceptionally productive bore, both of which add long-term value and appeal to those looking for sustainable and cost-effective living.

While the home has been beautifully renovated inside and out, the yard offers a blank canvas with exciting potential. There's ample space to introduce trees, garden beds, or thoughtful landscaping to enhance the outdoor ambiance and create your own private oasis. With room for a garage or carport, the property also provides scope to add further value and functionality. This is an ideal opportunity for buyers who want to personalise their surroundings and put their own creative stamp on a property that already has a solid and stylish foundation.
